Re: Physician Assistant License No. PA-15912  
Case Number: 1E-2002-136075

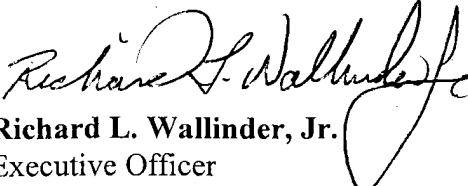

**Public Letter of Reprimand**

On November 14, 2003, the Physician Assistant Committee of the Medical Board of California filed an Accusation against your Physician Assistant License.

Between August, 2001 and August, 2002, during your first year of practice as a Physician Assistant, you ordered diagnostic tests without a sufficiently specific practice protocol or a practice-specific formulary. Your records did not contain an adequate explanation of the indications for certain diagnostic tests you ordered on patients during that time, in violation of Business and Professions Code §2266.

The Physician Assistant Committee of the Medical Board of California has decided that a Public Letter of Reprimand shall be issued in this case and you shall be required to successfully complete the record-keeping course at the Physician Assessment and Clinical Education (PACE) Program at the University of California, San Diego.

Wherefore, pursuant to the authority of Business and Professions Code §2233, the Medical Board of California hereby issues this Public Letter of Reprimand, and understands that no future violations of the Business and Profession Code will occur.

  
**Richard L. Wallinder, Jr.**  
Executive Officer  
Physician Assistant Committee
